GREEN CARD LOTTERY**

Santa Barbara, October 26, 2004 - The diversity visa lottery is a complex process that can make or break a family's entry into the United States. Each year millions apply for a green card, but many fail because they do not follow the ever-changing requirements or have prior knowledge of the rules. Marybeth Rael and J. Stephen Wilson today announce the publication of *Win the Green Card Lottery!* for DV-2006. Now in its third major edition, this electronic booklet in Adobe PDF format is now available for download at: <http://www.mygreencard.com> for \$9.50 USD.

Edited by James T. Daly, Attorney At Law, *Win the Green Card Lottery!* outlines the entire procedure from entering the lottery to obtaining a permanent residency. They also offer the only independent review of lottery services for those who need third party assistance. Based on the latest State Department rules for DV-2006, this inexpensive guide provides over 20 crucial tips and essential guidelines to help eliminate common mistakes throughout the process, plus an entire chapter devoted to lottery winners. With these easy-to-read instructions green card lottery entrants will:

- Submit photographs that meet current State Department requirements,
- Understand the latest lottery rules and successfully register online,
- Comprehend confusing regulations for registering family members,
- Determine qualifications for alternate state chargeability,
- Know when to contact an attorney,
- Recognize why lottery entrants are disqualified,
- Enter multiple applications where instructed,
- Avoid costly pitfalls that prevent applicants from obtaining a visa,
- Know what to do if out of status and win the lottery,
- Identify other ways to get a green card,
- Pass their visa interview, and more.

This booklet is especially timely since the green card lottery open registration period now runs from November 5, 2004 to January 7, 2005.
